The response to the CARBONDALE CALENDAR 1983 has been very gratifying. Thank you very much for your review of the Calendar in your column in THE SCRANTONIAN of October 17th. One of the many things that I have learned from present and former Carbondaleans since the publication of the CARBONDALE CALENDAR 1983 is that there are a lot of people who are very interested in the city of Carbondale and its rich history. Given the success of the CARBONDALE CALENDAR 1983, I expect that I will produce a CARBONDALE CALENDAR 1984 as well. We'll see what happens.

Sincerely yours,

S. Robert Powell
